This is a season of **FIRSTS** for Trippin' through LIFE! ...and this might be the most exciting "first" of all. We were contacted by the Orlando Magic about going to a game. It was explained that to become a Trippin' event, we would need **MORE** than a game. Here is what was agreed upon:

Sunday, February 23rd. at the Kia Arena LIFE will have seats in section 118, as the Magic face-off against the Washington Wizards.

- ✳ **3:45 LIFE members arrive at the Kia Center where they will be taken to a lecture room to hear the "History of the Orlando Magic," from a gentleman who has been with the Magic from their beginning.**
- ✳ **4:45 we have seats reserved for us for the Pre-Game Warmup. Rows 1-7 Center Court**
- ✳ **After pregame, we work our way up to Section 118 and our seats for a 6:00pm game.**
