How to remove yourself from a Trippin' event for which you have registered and are now unable to attend.

(NOTE: You will only receive a refund if you are within the cancellation deadline.) HOWEVER, there might be people who want to attend in your place. Should you be after the deadline, please, contact Gail at agorgail@gmail.com to see if there is a chance you can offer your seat to someone else. PLEASE, do everything you can to NOT be a "No Show!"

NOTE: Due to the incredible number of Trippin' through LIFE events, it has become administratively challenging to respond to emails asking for a cancellation. We are worried that we will miss a request in the vast number of emails received daily, so are requesting your understanding that we will no longer be taking you off a Trippin' through LIFE event. If you must cancel, and you are NOT past the posted deadline date, follow these steps:

- Go to lifeatucf.org
- Under the "Membership" drop down tab, choose: "Member Login"
- Login
- On this next page, there is a black banner. The second thing on the banner is "Events"
- On the "Events" drop down, choose: "My Event Calendar"
- All events for which you are registered, will appear on a list.
- IF you are still able to withdraw, at the end of a reservation, you will see: a green box with "Withdraw/Modify" Click the box and follow the prompts until
- You see the red PDF icon which tells you your refund has been processed and therefore you have successfully withdrawn.

If the posted cancellation deadline has passed, we are sorry, but because we pay for most events before the event date, we must strictly adhere to the host location's payment rules.

Other questions? We are at the Trippin' through LIFE table each Tuesday before our session and at the break. Stop by, we are there to help!
